

Campus recruitment at KU

Visiting delegation interacted with business school students

Srinagar KU, June 9: A top level delegation of Central Bank of India today visited Business School for campus recruitment of Management Trainees and Probationary Officers. The event was organised by Business School, University of Kashmir for MBA students.

The delegation included Mr. Arun Koul, Executive Director, Central Bank of India, Mr. R Mishra, General Manager and Mr. R B Verma, Chief Manager (HRD). Central Bank of India is one of the oldest and largest banks of India having over 3600 Branches and over 36000 employees.

The recruitment process began with an introductory session, wherein Prof. Shabir A. Bhat, Director, The Business School, University of Kashmir welcomed delegates of the Bank for visiting the campus for recruitment. Prof. Shabir thanked Mr. Arun Koul Executive Director, Mr. R. Mishra, General Manager of the bank for their keen interest in recruiting students of The Business School. He assured visiting delegation that the students had the capability and competence to compete with the best in the world. "It is just the first step and we will utilize all resources at our disposal to see that our students get into best possible companies both in and outside the country" he said. Prof. Shabir lauded efforts of the Placement Officers for placing the students in top notch organisations.

While interacting with students of the Business School, Mr. Arun Koul, Executive Director, Central Bank of India expressed his appreciation for the standard of management education being imparted KU. During his interaction, Mr. Koul spoke extensively about the financial sector in India, growth prospects of the Central Bank of India and career opportunities for budding managers. After the introductory session, the recruiting team conducted interviews for position of Management Trainees and Probationary Officers in the Central Bank of India.

Pertinent to mention that the Business School has already signed an MOU with HDFC Bank Ltd; one of the largest banks in India and has also launched a joint certification programme (JCP) in retail banking. Thirty students of the Business School have successfully completed this certificate programme, out of which six students have been recruited by the HDFC Bank Ltd.
