DEPARTMENT OF COMPUTER SCIENCES

Year of Establishment: 1987

Faculty:

Dr. M. Arif Wani	Professor
Dr. Javaid Iqbal	Professor & Head
Dr. Majid Zaman	Professor
Dr. Manzoor Ahmad	Scientist-D
Dr. Sajad M Khan	Scientist-C
Dr. Faheem Syeed Masoodi	Assistant Professor
Dr. Sajid Yousuf Bhat	Assistant Professor
Dr. Abid Sarwar	Assistant Professor

Programmes Offered:

Masters in Computer Applications (MCA)

Duration	2-Year (4 Semesters)
Intake Capacity	48
Eligibility	Any Graduate with at least 12 credits in Computer Science/ applications under CBCS/NEP 2020 Scheme. **OR** B.Sc. with Mathematics (at 10+2 level OR in graduation) or B.Tech/BE

M Tech (Computer Science and Engineering)

Duration	2-Year (4 semesters)
Intake Capacity	22
Eligibility	BE/B.Tech in Computer Science Engineering / Information Technology / Computer Engineering

Admission: Selection shall be based on valid GATE score conducted by the National Testing Agency, Government of India in the particular year

5-Year Integrated Masters Programme in Data Science & Artificial Intelligence

Duration	5-Year (10 semesters)
Intake Capacity	20
Eligibility	Passed 10+2 Examination (any stream) with a minimum of 45% marks in case of general category and 40% marks in case of reserved category candidates from a recognized board/institution.

Research Programmes:
- Ph D

Thrust Areas:
- Artificial Intelligence
- Machine Learning
- Computer Networks & Network Security
- Software Engineering

DEPARTMENT OF ELECTRONICS & INSTRUMENTATION TECHNOLOGY

Year of Establishment: 1985

Faculty:

Dr. Mohammad Tariq Banday	Professor
Dr. Farooq Ahmad Khanday	Associate Professor & Head
Dr. Shabir Ahmad Parah	Associate Professor
Dr. Javaid Ahmad Sheikh	Associate Professor
Ms. (Er) Farhat Roohi	Scientist C

Programmes Offered:

A) Masters in Electronics

Duration	2-Year (4 Semesters)
Intake Capacity	26
Eligibility	Any Graduate having minimum of 12 credits in the subject of Electronics or Electronic Equipment and Maintenance (EEM) or Physics or Mathematics or Computer Science or Information Technology, under CBCS / NEP 2020 Scheme. **OR** BSc. with one of the following subjects at Undergraduate level: Electronics, Electronic Equipment and Maintenance, Physics, Mathematics, Information Technology, Computer Sciences/Applications., Statistics. **OR** B.E/B.Tech. /B.Sc. Engineering in Electrical Sciences (Electronics or E&C or Instrumentation or telecommunication)/Allied Subjects.

B) Masters in Electronics (One-Year Masters Programme)

Duration	1-Year (2 Semesters)
Intake Capacity	6
Eligibility	Candidates having earned a total of 160 credits in 4-Year Bachelors programme (Honors or Research Mode) and having minimum of 20 credits in Electronics

5-Year Integrated Masters Programme (FYIMP) in Electronics

Duration	5-Year (10 Semesters)
Intake Capacity	20
Eligibility	Passed 10+2 Examination with Science subjects having secured at least 45% marks in case of General Category and 40% marks in case of Reserved Category

M Tech (Embedded Systems and Solutions)

Duration	2-Year (4 Semesters)
Intake Capacity	32
Eligibility	BE/B.Tech/B.Sc. Engineering in Electrical Sciences (Electronics, Electrical, Instrumentation, Communications, and Computer Sciences), M.Sc. Electronics, M.Sc. Information Technology, M.Sc. Computer Sciences, MCA.

Admission: Selection shall be based on valid score in the GATE test conducted by the National Coordination Board (GATE), Department of Higher Education Ministry of Education, Government of India or University entrance test (if required)

DEPARTMENT OF FOOD SCIENCE & TECHONOLOGY

Year of Establishment: 2008

Faculty:

Dr. Idrees Ahmed Wani   Professor & Head
Dr. Adil Gani   Associate Professor
Dr. Sabeera Muzzafar   Associate Professor
Dr. Hilal Ahmad Punoo   Assistant Professor
Dr. Asima Jan   Assistant Professor

Programmes Offered:

A) Masters in Food Technology

Duration	2-Year (4 Semesters)
Intake Capacity	15
Eligibility	Any Graduate having one of the subjects as Food Technology having earned minimum of 12 credits in the subject under CBCS / NEP 2020 Scheme **OR** B.Sc. Medical/Non-Medical with all existing combinations. B.Sc. Home Science with Food Science/ Human Nutrition as one of the subjects. B.Sc. Food Technology/ Biotechnology. B.Sc. Agriculture/ B.V.Sc and A.H. B.Sc. Pharmaceutical Science. B.Tech (Food Tech.) or B. Sc. (Horticulture) or B.Sc. with Nutrition & Dietetics under Three-year annual / semester scheme

B) Masters in Food Technology (One-Year Masters Programme)

Duration	1-Year (2 Semesters)
Intake Capacity	4
Eligibility	Candidates having earned a total of 160 credits in 4-Year Bachelors programme (Honors or Research Mode) and having minimum of 20 credits in Food Technology

Research Programmes:
- Ph. D in Food Technology

INSTITUTE OF HOME SCIENCE

Year of establishment   1982

Faculty

Dr. F.A. Masoodi	Professor
Dr. Humaira Azim	Professor & Director
Dr. Shafia Nazir	Professor
Dr. Muzamil Jan	Professor
Dr. Naila Irshad	Associate Professor
Dr. Shafia Jan	Assistant Professor
Dr. Gazala Nissar	Assistant Professor
Dr. Maria Maqbool	Assistant Professor

Programmes Offered:

A) Masters in Home Science

Duration	2-Year (4 Semesters)		
Intake Capacity	a) Food Science and Nutrition	--	13
	b) Dietetics & Clinical Nutrition	--	8
	c) Extension & Communication	--	13
	d) Human Development	--	8
Eligibility	Any Graduate having one of the subjects as Home Sciences and having minimum of 12 credits in the subject under CBCS/NEP 2020 Scheme/ semester scheme /Annual Scheme		

B) Masters in Home Science (One-Year Masters Programme)

Duration	1-Year (2 Semesters)	
Intake Capacity	a) Food Science and Nutrition	3
	b) Dietetics & Clinical Nutrition	2
	c) Extension & Communication	3
	d) Human Development	2
Eligibility	Candidates having earned a total of 160 credits in 4-Year Bachelors programme (Honors or Research Mode) and having minimum of 20 credits in Home Science	

5-Year Integrated Masters Programme in Home Science

Duration	5-Year (10 Semesters)
Intake Capacity	60
Eligibility	10+2 with 45 % marks, with a relaxation of % marks for the reserved category

Research Programmes:
- Ph.D.

Thrust Area:
1. Social and Behavior Change Communication

DEPARTMENT OF PHARMACEUTICAL SCIENCES

Year of Establishment: 1983

Faculty

Dr. Nahida Tabassum	Professor
Dr. Zulfiqar Ali Bhat	Professor
Dr. Mubashir Hussain Masoodi	Professor
Dr. Sabeeha Shafi	Professor & Head
Dr. Mohd Ishaq Geer	Professor
Dr. Nisar Ahmad Khan	Professor
Dr. Mohd Iqbal Zargar	Associate Professor
Dr. Ghulam Nabi Bader	Associate Professor

Programmes Offered:

B Pharm

Duration	4-Year (8 Semesters)
Intake Capacity	25
Eligibility	Passed 10+2 Examination with Physics, Chemistry and Biology/Maths subjects with at least 50% Marks in aggregate from any recognized Board or any examination equivalent thereto.

M Pharm

Duration	2-Year (4 Semesters)
Intake Capacity	17
Eligibility	B.Pharm. from any recognized University/Institute approved by AICTE and Pharmaceutical Council of India (PCI) with at least 55% marks in aggregate.

Note: (GPAT qualified candidates shall be exempted from appearing in the University Entrance Test).

Specializations Offered:
1. Pharmaceutics
2. Pharmaceutical Chemistry
3. Pharmacology
4. Pharmacognosy
5. Pharmacy Practice
6. Pharmaceutical Bio-Technology

Research Programme:

- Ph.D.

E-Governance System Practices of the University of Kashmir

Vision

- To be a world class Directorate of Information Technology and Support System committed to create and disseminate knowledge for human development by facilitating learning, teaching and research.
- To provide a platform where involvement of all the stakeholders is

  ensured for decision making.
- To transform the system into an extremely efficient, secure, transparent

  and result oriented one.
- To facilitate the requisite technological support required for teaching and learning process.
- To offer technological support to all the constituent administrative units of the system.

Mission

The Directorate strives to deliver core IT infrastructure and resources in support of the University's mission of achieving excellence through continual improvement, alignment of our services to the changing needs of the University community and by fostering a diverse workforce and an inclusive culture.

Goals

In pursuit of the stated mission, the Directorate has following goals:

- To achieve excellence in five areas of Information Technology which include: Multimedia systems, software development, computer networks and DBMS.
- To bridge the gap between academics & industry through the establishment systems, computer networks and DBMS.
- To provide IT support to the local conventional industry by establishing Centre of Excellence for IT Entrepreneurship.
- To establish /maintain fully equipped information (IT) Centre's in University affiliated colleges, data Centre and develop software solution in house.

- To get human capital development for the industry in cognizance with the industry in the area of M.Sc. IT.

E-Governance and E-Services developed, deployed and delivered:

E-Governance (Examination and Admission)

Project with support from the Ministry of Communications & Information Technology, Department of information Technology, Government of India.

E-Governance (Administration)

Project sanctioned by Ministry of Communications and information Technology, Government of India with a total financial outlay.

E-Admissions

This system has been developed to automate all admission processes of the university. Students no longer need to come physically to the University to submit admission forms for various courses; instead the forms can be submitted online from any place with an access to the Internet. The form fees can be paid through online mode using payment gateway or can be paid through offline mode in any branch of the JK Bank and can be reconciled online with the forms submitted.

File Tracking System

File tracking system is an application to monitor the files and assist in their easy tracking. It is an integrated package which has features such as, opening of new files, tracking the movement of the files, dispatch of letters/files and finally records management. The application has been developed to provide clear visibility of the file movement throughout the file approval process and offers an efficient electronic system. This electronic system makes file tracking and retrieval easy. The system provides various functionalities to different users

KU Android Application

KU Android Mobile app allows students/employees to be updated about all the notifications/events/latest news of the University. This application allows students to check status of various applications like Result/Student Academic Details/ Certificate dispatch status etc.

Using this new version a user can see:
➢ Notifications about various things like admissions, jobs, tenders, etc.
➢ Integrated notification from all departments/campuses.
  ➢ Student details, results, migration status, PG student registration status etc.
➢ Employee salary statement and attendance
➢ Department information and location
➢ Telephone Directory and various other features.

Career Advancement Scheme(CAS):
- Catering to CAS stages up to the stage 5
- Preview of score and application form by the applicant before submitting.
- Automatic score generation.
- Integration with the DIQA portal. Applicant can fetch details entered in his/her DIQA account to CAS application form.
- Data entered by applicant is preserved till he/she passes the CAS stage.
- Various report generation for applicant and recruitment section to speed up the CAS process.

KU Journal Websites
- Each journal has been given it own website.
- The website allows for uploading of journal volumes and related papers through admin interface.
- The website also allows for searching by volume name and paper

  keywords.
- Each journal website has been provided its own unique URL.

KU Attendance Portal
- Syncs monthly biometric attendance between biometric machines, attendance server and the main server.
- Now the concerned Heads are able to get the real attendance data of employees and are now also able to match up the leaves taken by the employee against his/her attendance report.
- Allows printing the attendance report of individual employee or department as a whole.

Dean Research Budget Management System
- All the activities related to the Project budget management are dealt with in this software
- Process of Bill proposals to bill sanction is automated Advance payments are also managed

Results
This application has been developed to allow students to retrieve results of their respective courses. With the help of this application, a student can view/print the result by simply entering his/her name or roll number or registration number in the search box

Migration Form
With the help of this application, a student can apply for proper migration from University of Kashmir to the University to which he/she is migrating for further studies. A student can also check the status of his/her migration using this application.

Re Evaluation:
With the help of this application, a student can apply for reevaluation by selecting the desired paper/subject, also it enables a student to check the status of his/her application.

Registration Status for PG Students
With the help of this application, a student can check his/her registration status. He/she can also verify the correctness of the particulars entered in his/her registration form.

Stream Change Status
After submitting the stream change application form in the registration section manually, a student can check the stream change status online using this application.

DIQA
This software has been developed as a solution for the Directorate of Internal Quality Assurance for collection and maintaining annual self-assessment for the Performance Based Assessment System (PBAS). It caters both individual faculty member as well as departments/Centers

E-Conduct
This application comes with a variety of functionalities for students of KU. With the help of this application, a student can download the examination forms for all the UG/PG courses (Professional/Non-professional). After submitting the examination form, students can download their admit cards, can check their eligibility, fee status and results of their respective courses

E-Award System
E-Awards System offers assignment of evaluation papers, entry of marks, management of deadlines, online evaluator billing and automatic compilation of the provisional results at the University of Kashmir. This spans all postgraduate, undergraduate (professional), diploma and certificate programs offered by the University.

JK SET Application
It is a complete solution for JKSET OMR based exam. This application enables the candidates to apply online as well as it

helps to prepare admit cards/ attendance sheets/center notices and post conduct operations like scanning of OMR sheets and generation of Merit/Selection lists.

Estates Section Software

This application has been developed for University Estates Section. It is capable of handling University accommodation allocation process, maintain insurance records, stock entry records etc.

E-Tutorials

The e-tutorials application has been developed in order to bridge the gap of location between the students and tutors. With the help of this service, Faculty can login and upload their respective tutorials. The students are able to select their respective Courses, year/sem, batch and subject to get the corresponding tutorials. UG, PG and Distance education e-tutorials are available by clicking on the relevant link.

Online Recruitment System

The 'online recruitment system' has been developed to enable the applicant to apply online for various teaching / non-teaching positions. The system enhances the selection process by reducing the overall time taken for selection of an applicant by automating processes like Annual Performance Indicator(API) score generation, auditing, report generation, fee payment, etc. The e-Recruitment system allows recruitment section to take advantage of the latest trends in online recruitment process, helping them manage all stages of the recruitment process. The system also saves time of an applicant by allowing him/her to enter application details only once and copy/clone the entered details while applying for different posts. The applicants can also get help about the portal at 'recsupport@uok.edu.in'

KU Content Management System

The Kashmir University Content Management System (KUCMS) allows departments to replace their old Dot Net Nuke websites to new website using latest developments in web

technologies like responsive design, AJAX, etc. KUCMS also integrates with DIQA web application where a faculty member can decide what information to display on his/her personal page. KUCMS also allows for creation of custom pages for faculty. KUCMS also provides search functionality for the user where user can search the site for some info. KUCMS also has many other features like Google map for location the department, cross linking of information, etc.

Single Log in Service

Enables employees to access various University applications using Single login. It Uses employee code of the University employee as their username. First phase KUSLS is integrated in DIQA, FTS, KUCMS, HMS, KUDMS, and Dean Research Accounts etc. Second phase will cater to all applications.

HR Management

- HR Management handles:
- Personal details
- Joining details
- Qualification details
- Promotion
- Transfer details
- Nomination details etc.

add-on online services to the employees like applying for leaves, applying for GP Fund etc

Feedback/Grievance Re-dressal System

Online redressal system for grievances/queries. Around 40,000 queries have been registered and replied online.

Salary Management System

Salary Management system is one of most advanced application for Auto generation of monthly salaries, Fixation of salaries (as per 7th Pay Commission), Auto calculation and generation of arrears, online salary Statements and Auto tax calculations. Latest addition to this application includes: salary reports by period for taxation purposes thus making it more beneficial for employees.

Hostel Management System

With the help of Hostel Management System, Student applies for hostel accommodation through University registration or enrolment number.

- Some of the features are:
- Application forms are automatically sorted on the basis of district.
- Ratio of seats for each district is calculated according to the no. of application forms received from each district.
- Seats for each district are automatically divided into 6:4 ratios between science and non-science students respectively.
- Groups are auto sorted as per the distance from the University in descending order. PHC category are automatically selected.
- Each Student from selection list is assigned an available room randomly.

Payment gateway

For online transactions, a payment gateway verifies the funds. The Payment Gateway is the only way to make a payment to your student account with a credit card or electronically from your checking/savings account. University Uses Creation and Implementation of Payment Gateway through Axis Bank and Bill Desk IPG.

Auxiliary Services

- In-house operations and maintenance of University Data Centre.
- Designing, Development and Maintenance of University Web Portal.
- Establishment, Operations and Maintenance of KUWAN connectivity spread across the valley connecting Affiliated Govt. Colleges.
- Designing and Development and hosting of Content Management System for the Affiliated Govt. Colleges.
- Designing and Development and hosting of content Management System for the websites for University Departments/Centre's/Directorates

Other Services:

- Student Placements in IT Sector.
- IT Trainings for Software Solutions Developed by Directorate.
- Maintenance of university Website, Departmental websites and WAN connectivity
- Establishment of Information Centre's in Affiliated Colleges with via line-of-sight connectivity facility.
- Advanced Centre for Excellence in Information and Communication Technology.
- Consultancy to various Govt. /Semi Govt. organizations.

Year of Establishment: 1982

Faculty:

Dr. Shajral Amin	Professor & Head
Dr. Nazir Ahmad Dar	Professor & Director, CCPC
Dr. Syed Shaida Ahmad Andrabi	Associate Professor
Dr. Mohd. Ashraf Dar	Ramalinga swami Fellow

Programmes Offered:

A) Masters in Biochemistry

Duration	2-Year (4 Semesters)
Intake Capacity	20
Eligibility	Any Graduate with Biochemistry as one of the subjects having minimum of 12 credits in the subject under CBCS / NEP 2020 Scheme. **OR** B.Sc. having one of the following subjects in all the three years in Annual / Semester Scheme: Biochemistry, Clinical Biochemistry, Biotechnology, Botany, Chemistry, Microbiology and Zoology or B.Sc. MLT/Renal Dialysis or other allied sciences with Biochemistry as one of the subjects.

B) Masters in Biochemistry (One-Year Masters Programme)

Duration	1-Year (2 Semesters)
Intake Capacity	5
Eligibility	Candidates having earned a total of 160 credits in 4-Year Bachelors programme (Honors or Research Mode) and having minimum of 20 credits in Biochemistry

Research Programmes: Ph.D.

Faculty

Dr. Tanveer Ali Dar	Associate Professor & Head
Dr. Fouzia Rashid	Professor
Dr. Showkat Ahmad Ganie	Associate Professor
Dr. Syed Hussain Mir	Assistant Professor
Dr. Abdul Wajid Bhat	Ramanunjan Fellow

Programmes Offered:

A) Masters in Clinical Biochemistry

Duration	2-Year (4 Semesters)
Intake Capacity	20
Eligibility	Any Graduate with B.Sc. Clinical Biochemistry or Graduation with minimum of 12 credits in one of the following subjects: Clinical Biochemistry, Biochemistry, Biotechnology, Chemistry, Microbiology and Zoology under CBCS/NEP- 2020 Scheme. Or B.Sc. in Medical Lab. Technology/ B.Pharm/ MBBS/ B.Sc. in Operation Theatre Technology/Renal Dialysis or other allied sciences with Clinical Biochemistry or Biochemistry as one of the subjects. Percentage of marks shall be required as per the University statutes for other M.Sc. programmes. However, for MBBS the percentage of marks required shall be 50%.

B) Masters in Clinical Biochemistry (One-Year Masters Programme)

Duration	1-Year (2 Semesters)
Intake Capacity	5
Eligibility	Candidates having earned a total of 160 credits in 4-Year Bachelors programme (Honors or Research Mode) and having minimum of 20 credits in Clinical Biochemistry

CENTRE FOR BIODIVERSITY AND TAXONOMY

Year of Establishment   1981

Prof. Aijaz Ahmad Wani   Honorary Director
Prof Anzar A. Khuroo   Teacher Incharge

Thrust areas of research

- Alpine Biodiversity, Taxonomy, Biogeography, Ethnobiology, Conservation Biology, Climate Change, Urban Biodiversity

Current activities

- Field survey and specimen collection of biodiversity of the different areas such as Hipora-Pir Ki Gali,Yousmarg,Doodpatheri,Tosaimadan Duksum- Sinthan Pass, Sonamarg-Thajwas, Apharwat, Kilanmarg, Botapathri, Rajdhan Pass, Sadhna Pass, Farkiyan Pass, Margan Pass, Keran, Karnah, Gurez, Padder, Marwah, Warwan, Dachin and other such far-flung areas have been undertaken.
- Documentation and digitization of the herbarium specimens is under progress.
- Eminent scientists and research scholars from the countries such as Czech Republic, Switzerland, France, USA and other institutes of the country such as SAC-Ahmadabad, NBRI-Lucknow, BSI-Kolkata, etc visited the Centre's KASH Herbarium for pursuit of their research work.
- Over the years, the Centre is unfailingly providing scientific nomenclature and identification services to hundreds of research scholars and scientists from other departments of this University, and the various departments of J&K Government, particularly, SKUAST (K), Sheep Husbandry, Animal Husbandry, Forests, Environment, Agriculture, Horticulture, Floriculture, Sericulture, LAWDA etc.
- Frequently, students from various schools, colleges, universities and institutes visit the herbaria, and demonstration sessions are being conducted to learn the techniques and role of herbarium.
- The Centre currently runs four research projects:

1) Himalayan Alpine Biodiversity Characterization and Information System Network Project sponsored by NMHS.

2) Characterizing Patterns and Processes of Alpine Ecosystem in Indian Himalaya with Special Emphasis to Jammu and Kashmir sponsored by Space Applications Centre (SAC-ISRO), Ahmadabad under SHRESTI Program.

3) Management of Ox-Eye Daisy (Leucanthemum vulgare) in Protected Areas of Kashmir Himalaya sponsored by Department of Biotechnology, Govt. of India, New Delhi.

4) Conservation Genetics and Species Recovery of Threatened Himalayan Trillium in Hirpora Wildlife Sanctuary, Kashmir Himalaya sponsored by Department of Biotechnology, Govt. of India, New Delhi.

Additional information

Herbarium: The Herbarium of the University of Kashmir, recognized by the New- York based *International Bureau for Plant Taxonomy and Nomenclature* under the acronym **KASH**, is housed in the Centre. It is 3rd largest herbarium in the Western Himalaya.

KASH: key facts and figures

- Total no. of herbarium specimens = 60,000
- No. of specimens accessioned = 48,000
- No. of specimens un-accessioned = 12,000
- Total no. of herbarium cabinets = 51
- Total no. of species = *ca*3200
- No. of endemic species = 310
- No. of threatened species = 250
- New species records = 44
- Type specimens = 98

Achievements

- Till now, 20 books and 400 research papers on the plant wealth of this Himalayan region published; Twenty (26) research projects sanctioned by different funding agencies completed.
- From this centre, the number of research scholars who have completed their M. Phil and Ph. D. degrees is 46 and 30, respectively.
- About 38 plant taxa have been published as 'New to Science' from this Centre.

- At present, a rich repository of about 60,000 specimens is preserved in the KASH herbarium.
- Under plant specimen exchange program, herbarium specimens have been sent/received from the herbaria of various circles of Botanical Survey of India and those of USA, England, Austria, Denmark, and Russia.

Future plans
- ➢ To develop KASH as a digital herbarium
- ➢ To develop an *e-flora* of Jammu & Kashmir state
- ➢ To prepare Red List of biodiversity in Jammu & Kashmir state

DIRECTORATE OF LIFELONG LEARNING

Year of Establishment:	1978

Faculty:

Professor Bashir Ahmad Joo	I/C Director

The Directorate of Lifelong Learning (DLL) earlier known as Centre for Adult Continuing Education & Extension (CACEE) was established in the year 1978 to bring the change in the lives of the common masses. The Directorate offers professional, vocational, skill based and job-oriented, income generating courses for self-employability, livelihood earning and entrepreneurship development of the youth. The introduction of such courses has yielded tangible results in promoting creative confidence among youth and evolved tremendous response from all walks of life. There remains a constant pressing demand from the youth of the entire valley for conduct of such courses. The in-service people and prior learners too are being covered within the ambit of our programmes to upgrade and update their skills as per the contemporary and emerging challenges. The Directorate has oriented its initiatives towards educo-developmental, socio-economic appropriateness of the society under Area Based Community Development Approach (ABCD). It created flexible, affordable, adaptable, accessible, inclusive and outcome-based pathways by de-caging its initiatives beyond the four walls of the university as per the changing requirements of economic reality, market, knowledge and skill under the umbrella of Extension and continuing education programmes. The capacity building programmes, quality of life improvement programmes, bridge courses, individual interest promotion programmes, equivalency programmes, awareness generation programmes, medical and health awareness camps, workshops, seminars and other community out-reach interventions have been instrumental in promoting capacities of community to the needs of day-to-day quality life. The functioning of the Directorate is to integrate and intermingle with society which it serves or within which it is located and workout programmes as per their felt needs thereby developing meaningful and sustainable rapport between university and the community. The linkages of knowledge and skill with the business and corporate sectors have opened up ample opportunities to the youth for their comprehensive engagement in the world of work and real-life situations.

EDUCATIONAL MULTIMEDIA RESEARCH CENTRE (EMMRC)

Year of Establishment :   1986

Faculty

Prof. Salima Jan	Director/Research Scientist
Mr. Shafqut Habib	Producer
Mr. Ajaz-ul-Haque	Producer
Dr. Tariq Abdullah	Producer
Er. Muzaffar Ahmad	Assistant Engineer

EMRC is all about what its first three letters stand for. Education, Multimedia and Research. We digitize education and that is what the demand of the modern age is. We produce educational television programmes, make documentaries on a wide range of subjects, develop the digital educational content known as e-content and offer the latest global format of teaching and learning called Massive Open Online Courses – MOOC for short.

The Centre also carries out research to assess the popularity and utility of ETV (Education Television) programmes. It evaluates the use of communication technologies for teaching and learning. We organize awareness programme in different colleges of J&K to make students and teachers aware about the development and utilization of e-resources and the use of Information Communication Technology (ICT) in education.

EMRC has produced around 2350 ETV programmes, over 1500 multimedia/e-content modules and 1000 Learning objects in the subjects of Botany, Education, Law, Bio-Medical Science, Urdu, English, Philosophy, Psychology, Medical Science, Art and Culture. The Centre has bagged 20 National Awards. The Centre completed e-Content development in Botany in 1st Phase and in the 2nd phase B.A (Hons) Urdu, B.Sc (Hons) Food Technology, B.A, LLB, B.A (Hons) Education and B.Sc Hons Bio-Medical Science were completed.

EMRC-made MOOCs are available on the web portal called SWAYAM (Study Web of Active Learning by Young and Aspiring Minds). SWAYAM is an e-learning initiative by the Ministry of Education (MoE) established with an aim to reach a wider audience. Under this project, various Universities in India have been assigned to develop MOOCs and we are one such institution. So far 59 MOOC courses have been developed, 52 have been re-run and offered to the undergraduate students.

Under the Swayam Prabha, EMRC University of Kashmir has also been allotted one DTH (direct-to-home) 24x7 channel on Life Sciences named Spandan which covers Botany, Zoology, Life Science, Bio-Informatics, Bio-Chemistry, Microbiology, and Bio-Medical Science. The channel started off from 15 August 2016 and is running smoothly. It can be watched on DD Free Dish and other satellite services as SWAYAM Prabha-5. Equipped with the latest gadgetry of TV & film production, the Centre has shifted from Standard Definition to High-Definition technology. This channel can be accessed online at www.swayamprabha.gov.in.

To make learning a hassle-free process, we have created a tapeless workflow. Our aim is to have a complete digitization of the content. Keeping pace with the ever-changing trends in the video production technology, EMRC has procured a high-end multimedia lab with Mac workflows.

The Centre has been upgraded to High Definition with automation of its production workflow by establishing Central Apparatus Room (CAR).

To get University closer to society, the Centre highlights the academic activities of the University. For this, we made the use of social media to reach the society.

The Centre has the expertise to provide consultancy to various agencies for producing documentaries and conducting research in various aspects of media. Till date various such consultancy programmes have been undertaken. The Centre also intends to launch B.Sc. Electronic Media and M.Sc. Electronic Media and M.Phil and Ph.D programme in Media Studies. Besides EMRC plans to launch MOOCs on subjects like English literature and other allied subjects of Humanities. In a line EMRC is committed to offer education in all its brevity, beauty and depth.

DEAN STUDENTS' WELFARE

Professor Pervez Ahmad   **Dean**

Department of Students Welfare functions for the overall benefit and welfare of the student community of the University. It works with a vision, being obsessed with an overwhelming desire to chalk out the issues and remove all the impediments that confront students on their way to their respective developments and success. The Department addresses the social and academic concerns of the students by organizing a wide spectrum of activities and by engaging the student community in positive, meaningful and constructive endeavors. The Department also takes care of the problems, be it curricular, co-curricular & extra-curricular, faced by, and queries and complaints made by the students from time to time.

STUDENT AMENITIES:
The department works as a backend support for the student welfare activities. Some of the main domains are:
1. **Provision of Character Certificate.**
2. **Provision of Identity Cards.**
3. **Provision of Bus Facility for Female Students.**
4. **Provision of Railway Concession Forms.**
5. **Educational Tour**
6. **Scholarships**

CAREER COUNSELLING
Keeping in view the problems confronted by the students while opting for their respective carriers, the department has come up with an initiative of helping the students choose productive and prospective career. The goal of Career Counseling is to not only help you make the decisions one need to make now, but to give you the knowledge and skills one needs to make future career and life decisions. Career development is more than just deciding on a major and what job you want to get when you graduate.

ANNUAL STUDENTS MAGAZINE
Department of students welfare publishes an annual periodical magazine with the name **"GULALA"** "*the budding flower*". Gulala contains various literary and research articles written by students, teachers and research scholars. As the name indicates, it helps the students to inculcate among themselves the qualities of writing and gives their creativity-an expression of thought, directly or indirectly contributing towards their literary development.

EDUCATIONAL TOUR
In order to acquaint the university students with the required capabilities to face the world outside, and to inculcate in them the skill of learning by experiencing, the department of students welfare organizes educational tours for the students to visit various educational institutions/ universities outside the valley, thereby helping in their up gradation by reaching out to the horizons.

SCHOLARSHIPS
The department also facilitates the students belonging to weaker sections of society by assisting them regarding the scholarships provided by the University and various schemes available through National Scholarship Portal and state scholarships portal which includes:
- Scholarship for Specially Abled Students
- SC/ST/OBC/PwD etc. and minority Students
- Orphans /broken family Candidates
- Candidates belonging to AAY Category
- Candidates belonging to BPL Category
- Candidates belonging to abandoned etc

STUDENTS GRIEVANCE AND COUNSELING CELL:
The origin of the cell dates back to the inception of the department. This cell works for the redressal of the grievances put forth by the student community in general and that of Kashmir University students in particular. The cell helps the students by acting as a bridge between the university authorities and the students and thereby putting in all the genuine efforts to solve the matters.

DIVISION OF YOUTH AFFAIRS:
The Division of Youth Affairs is responsible for stimulating intellectual discussions among the students by organizing seminars, extension

lectures, workshops, youth festivals, film festivals and group discussions. The Division of Youth Affairs is actively engaging the students in promoting the values of fraternity, tolerance and social harmony, so as to uphold the vibrant social fabric of our mother earth.

Various Components are:
- ➢ **KU Literary Club**
- ➢ **KU Debating Club**
- ➢ **Music Club**
- ➢ **Drama Club**
- ➢ **Art Club**
- ➢ **Film Club**
- ➢ **KU Red Ribbon Club**
- ➢ **Red Cross Unit**

SPECIAL CELL FOR SPECIALLY-ABLED STUDENTS

Department of Students Welfare, University of Kashmir established centre for specially abled students in February, 2009.Keeping in view the needs and requirements of differently abled students, the centre provides various facilities for specially challenged students within and outside the university system, and thereby helping them to earn a dignified and respectable status and career after the completion of their studies. Special programme like marathons for specially-abled, workshops, seminars etc are also being conducted and successfully organized by the centre. Physical & financial Assistance is also provided by the centre.

EQUAL OPPORTUNITY CENTRE

The centre owes its presence to the students belonging to schedule tribes, schedule castes, OBC and persons with disabilities. Scholarships and other fellowships through National Scholarship Portal and state scholarships which are provided for these students. The main focus behind its establishment is to solve the problems confronted by the students of the minorities.

Established as a Centre in the University of Kashmir in March 2021 as "Centre for Innovation, Incubation and Entrepreneurship" (CIIE) is located within the premises of the Institute of Technology, Zakura Campus of the University of Kashmir with a vision to promote Innovation, Incubation and encourage entrepreneurship primarily among students of the Institute of Technology besides catering to entrepreneurial challenges of youth in the area thus equipping them with various valuable skills towards becoming self-sufficient. The Centre encourages young inquisitive minds and backs up/supports their innovative projects and ideas besides providing a decisive platform for incubating their projects and promoting Entrepreneurship on a broader spectrum. This facility is extended to students and innovators alike. CIIE since its very inception has been striving to successfully provide an enabling ecosystem with the eventual succour of innovations from scratch and lead innovators with the thrill and skill of becoming assets to the nation. To elaborate, CIIE puts in all the requisite efforts to convert mere an idea into new or improved products, processes, services and offering for growth and social development to unleash the creative potential of our youth. Innovations being vital in the contemporary era need to be evolved and supported from the very basic levels and that's where our centre comes to the rescue by inspiring, encouraging and nurturing the students and innovators by exploring new ideas and processes resulting in innovative activities.

NATIONAL SERVICE SCHEME (NSS)

Ministry of Youth Affairs & Sports, Govt. of India

Programme Coordinator: Dr. Wakar Amin Zargar
Programme Officer: Dr. Kousar Jan
Programme Officer: Dr. Irshad Ahmad Malik
Programme Officer: Dr. Mubashir Altaf
Programme Officer: Dr. Humaira Showkat
Programme Officer: Mr. Farooq Ahmad

The foundation of National Service Scheme (NSS) as an organized platform for student and teacher community of the country lies in the Gandhian Philosophy of social responsibility of community service. The NSS was launched on September 24, 1969, by the then Union Education Minister Dr. V.K.R.V. Rao. The Motto of National Service Scheme 'NOT ME BUT YOU' reflects the essence of democratic living and upholds the need for selfless service and appreciation of the other man's point of view and consideration for fellow human beings before one's own.

The National Service Scheme (NSS) which is aimed at creating awareness and understanding of social issues, matters and problems faced by the populace at community, regional and national levels among the student community and make them a solution, an answer to these variegated ever-expanding concerns is probably a unique flagship program of our country, which no other modern nation-state has evolved for its youth. Growth of an individual, especially during the formative years of a student lies not only in books and academics but in experiencing the day to day challenges faced by common fellow countrymen in their personal and collective lives and NSS is the most organized and disciplined platform a student can ever get for imbibing such an experience. Individual interest, academic potential, opportunities, dedication, perseverance etc. can shape the profession and career of a student, but the experience of working with NSS and the spirit of 'Not Me But You' will keep on guiding and illuminating his/her path towards achieving his social, economic, political and spiritual goals. An individual who has volunteered to plant a sapling, donate a pint of blood, clean someone else's trash in his student life can't shy away from dedicating resources of time, money, effort, opinion etc. howsoever meagre, towards improving the lives of others and helping others to realize their goals.

The University of Kashmir, a premier institution of the UT and the country have been part of NSS family since its inception. The NSS University of Kashmir strives to develop among students a sense of social and civic responsibility, understanding of the communities as well understanding ourselves in relation to these communities, identifying needs and problems of the communities and getting involved in problem solving processes, developing competencies and skills required for group living, sharing of responsibilities and mobilization of community participation; acquiring leadership qualities and democratic attitude; developing capacities to meet emergencies and natural disasters and practice national integration and social harmony. With these underlying objectives, the scope of NSS includes practically everything and anything of community significance. Whether it's Blood donation, Swachhata, Relief during natural calamities and disasters, Rehabilitation of underprivileged and less fortunate lot of society, Traffic and road safety awareness or a major challenge like Covid pandemic, the NSS unit of University of Kashmir is ever ready at the beck and call of the community.

NSS University of Kashmir welcomes all the students to be part of this journey of change and development.

COLLEGE DEVELOPMENT COUNCIL

Professor Aneesa Shafi : **Dean**

The mission of the College Development Council (CDC) at University level was to facilitate effective implementation of development plans of University for quality improvement of colleges and other affiliated institutions. Given the exponential growth of Indian higher education system with fast increasing affiliated colleges, innovative teaching and learning methods, change in pedagogical perspectives as well as the challenges emerged out of socio-political and economic policies in relation to education, the CDCs are now turned to be vital forces that frame collegiate education policies aiming at inclusive quality education, in tune with national education policy. In 1980s University Grants Commission introduced the concept of College Development Council (CDC) with a vision to set up an effective interface between the UGC and the colleges affiliated to various universities under it.
