NOTICE

It is notified for the information of all private B.Ed. colleges affiliated with the University of Kashmir that the biometric machines installed in the colleges shall be commissioned by or before 13th Oct, 2025.

The principals are accordingly informed to extend full cooperation and provide necessary logistic support to the IT & SS team for the commissioning of these machines.

If any college fails to extend its logistical support of cooperation in this regard and commissioning of biometric machine in the stipulated date, an action under rules shall be initiated against such colleges.

For any further clarification please feel free to contact IT & SS.
