PRESS RELEASE

Recruitment Drive at University of Kashmir

The Centre for Career Planning and Counselling – University of Kashmir, organized recruitment drive by Rooman Technologies which is a premier IT Company of the country with more than eighty five (85) branches in India and abroad. The Company has emerged as one of the best IT Company for Hardware and Networking Solutions and are considered to be the pioneers in "Hardware and Networking".

A team of senior executives of the company including Mr. Bhaskar, Director Rooman Technologies Pvt. Ltd. visited the Centre for Career Planning and Counselling – University of Kashmir on 31st January, 2015 for recruitment.

While appreciating the efforts of CCPC Hon'ble Vice chancellor, University of Kashmir Prof. Khurshid Iqbal Andrabi said the students from Kashmir are highly competent and capable and the University is striving hard to provide these students a platform for their job opportunities in the leading corporate houses of the Country.

While welcoming the senior executives of Rooman Technologies Pvt. Ltd. Prof. Farooq Ahmed Khan Director Centre for Career Planning and Counselling – University of Kashmir said that it is a moment of pride for us that highly reputed companies like Rooman Technologies has chosen University of Kashmir for recruitment. He further added that Rooman being one of the largest and highly reputed IT companies of the country offers a great opportunity to the capable and competent IT and management graduates of the Valley. The Director emphasized that the Centre for Career Planning and Counselling – University of Kashmir has emerged as a hub for providing employment opportunities to the youth of Jammu and Kashmir and as a result of the efforts taken by the Centre, several leading companies of the country including TATA Consultancy Services, HCL Info Systems, AMUL India, RELIGARE, ONGC etc., have visited the campus for training and recruitment.

While speaking on the occasion Mr. Bhaskar (Director) Rooman Technologies said that Kashmiri youth have potential to excel in any field and in view of these facts the company is visiting the valley frequently. Fourteen (14) candidates were selected and offer letters were distributed among them on the spot.
