## Postponement Notice

We regret to inform all the participants that the Happy Childhood Conference which was scheduled on March 13 and 14, 2019, has been **postponed** to **June 11 & 12, 2019**. The Postponement of this Conference has been done in view of the prevailing situation in Kashmir Valley. The organizers arrived on this decision after hectic deliberations with the sponsors and competent authorities, and hence had to sadly announce the postponement.

We greatly apologize to the scholars and participants for inconvenience caused. But we are sure the all the prospective participants will join us in June 2019.

More importantly, the Organizers have decided to **publish the selected papers** in a book format, which would be **available during the time of conference** in June 2019. Need less to say that a rigorous and standard **peer review process** will be followed in selecting the Papers for publication. The month of April and May 2019 will be utilized for this review and feedback process. You will receive update on this soon.

We seek your cooperation. Please feel free to contact us.
